

# International Student Undergraduate and Graduate Virtual Symposium April 27, 2021

## Developing sustainable urban systems through food water-energy nexus research

Students interested in participating must complete and submit their application online at

<https://fewsus.utk.edu/registration-student-international-symposium/>

Deadline: Submissions due by 11:59pm EDT, March 31st, 2021

Selections will be made by the NSF-FEWSUS committee and accepted presenters will be notified by April 1, 2021.

### Award

Student winners will be invited to participate at our Annual International FEWSUS Researchers Network Conference in late 2021 where they will be invited to present and interact with researchers from the FEWSUS platform. Airfare, lodging and food stipend included.

## Submissions due by 11:59pm EDT, March 31, 2021
